Amendment 003 is being raised to:

- 1. Amend Solicitation Closing Date**
 - 2. Provide a response back from Public Works and Government Services Canada to questions received from bidders.**
-

1. Solicitation Closing Date

DELETE: In its entirety

Solicitation Closes at 02:00 PM on 2021-01-20

INSERT:

Solicitation Closes at 02:00PM on 2021-01-22

2. Provide a response back from Public Works and Government Services Canada to questions received from bidders.

Q1.What would the yearly estimate on the requirements for salt?

R1. It is hard to estimate as this is the first year that the contractor is not using DND's commodities. We figure that we will use approximately 500 tons of salt and 100 tons of that will be used to mix sand.

Please reference Part 4 – Evaluation Procedures and Basis of Selection article 4.1.1.2 “the quantity of goods specified in the RFSO are only an approximation given in good faith.”

Please reference Annex “B” Basis of Payment Notes “The estimated usages provided are for the sole purpose of establishing an evaluation tool and are based only on best estimate and in no way reflect the actual usages expected or any commitment on the part of the Crown. The quantities as stated herein reflect the expected usage for each Pricing Period and are an estimate of the requirement made in good faith. The Standing Offer will be limited to the actual service authorized and performed.”

Q2. Is there any consideration be taken into applying Non-Chloride Salt Deicer for sensitive areas (eg bridges, waterways, etc.)?

R2. We don't use any salt or treated sand in those areas, we have bulk straight sand (not mixed) for gravel roads and bridges.

If your tender has already been forwarded and you wish to revise same, this revision should reach the bid receiving area before the closing date.
