ADDENDUM 006

The Department of Foreign Affairs, Trade and Development (DFATD) hereby amends, in accordance with this Addendum to the Request for Proposals for the Modernization of Peru's Civil Service Project, bearing number 2020-P-00508-1 (the RFP). This Addendum hereby forms part of the RFP. The purpose of this Addendum is to:

1. Provide responses to questions received;

1. QUESTIONS AND ANSWERS

QUESTION 1	For R3 the Project Management and Implementation Strategy, there is more than one full page of requirements and 12 criteria that need to be addressed. We would like to request that the page limit be expanded to allow the bidders the space to present their approach with clear and comprehensive details of their understanding of the requirement; innovation or the incorporation of lessons learned and take into account any risks and mitigation strategies as outlined in Section 4.5, Technical Evaluation Criteria Rating Scale. We are concerned that the current page limit will restrict all bidders' capacity to achieve higher scores.
ANSWER 1	DFATD has reviewed this requirement and will not be making changes to the page limit for R3 at this time.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
