- 4.1 All enquiries or issues concerning this solicitation must be submitted in writing to the Contracting Authority named at Part 3A, section 5 of the RFSO. ### **5.0 RIGHTS OF CANADA**

- 5.1 Canada reserves the right to:
1. Accept any Proposal in whole or in part, without prior negotiation;
  2. Reject any or all Proposals received in response to this RFSO;
  3. Cancel and/or re-issue this RFSO at any time;
  4. Ask the Bidder to substantiate any claim made in the Proposal;
  5. Enter into negotiations with one or more Bidders on any or all aspects of their Proposals;
  6. Award one or more Standing Offers;
  7. Retain all Proposals submitted in response to this RFSO.

### **6.0 SUBSTANTIATION OF PROFESSIONAL SERVICES RATES**

- 6.1 In Canada's experience, bidders will from time to time propose prices at the time of bidding that they later refuse to honour, on the basis that these prices do not allow them to recover their own costs and/or make a profit. When evaluating the prices for professional services bid, Canada may, but will have no obligation to, require price support for any prices proposed. Examples of price support that Canada would consider satisfactory include:
1. documentation (such as billing records) that shows that the Bidder has recently provided and invoiced another customer (with whom the Bidder deals at arm's length) for services similar to the services that would be provided under a resulting contract, and the fees charged are equal to or less than the price offered to Canada (to protect the privacy of the customer, the Bidder may black out the customer's name and personal information on the invoice submitted to Canada);
  2. a signed contract between the Bidder and an individual qualified (based on the qualifications described in this bid solicitation) to provide services under a resulting contract where the amount payable under that contract by the Bidder to the resource is equal to or less than the price bid;
  3. a signed contract with a subcontractor who will perform the work under any resulting contract, which provides that the required services will be provided at a price that is equal to or less than the price bid; or
  4. details regarding the salary paid to and benefits provided to the individuals employed by the Bidder to provide services, where the amount of

compensation, when converted to a per diem or hourly rate (as applicable), is equal to or less than the rate bid for that resource category.

Once Canada requests substantiation of the prices bid, it is the sole responsibility of the Bidder to submit information (either the information described in the examples above, or other information that demonstrates that it will be able to recover its own costs based on the prices it has proposed) that will allow Canada to determine whether it can rely, with confidence, on the Bidder's ability to provide the required services at the prices bid, while, at a minimum, recovering its own costs. Where Canada determines that the information provided by the Bidder does not demonstrate the Bidder's ability to recover its own costs in providing the prices bid, Canada may, at their sole discretion declare the bid non-compliant.

## **7.0 MANDATORY CLAUSES**

7.1 Where the words “**must**”, “**shall**” or “**will**” appear in this RFSO, the clause is to be considered as a mandatory requirement.

8.1 After Standing Offer award, bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority. The debriefing may be in writing, by telephone or in person at the discretion of the Contracting Authority.

## **9.0 OFFICE OF THE PROCUREMENT OMBUDSMAN**

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Office of the Procurement Ombudsman (OPO). The Office of the Procurement Ombudsman was established by the Government of Canada to provide an independent avenue for suppliers to raise complaints regarding the award of contracts under \$25,000 for goods and under \$100,000 for services. You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at [boa.opo@boa.opo.gc.ca](mailto:boa.opo@boa.opo.gc.ca). You can also obtain more information on the OPO services available to you at their website at [www.opo-boa.gc.ca](http://www.opo-boa.gc.ca).

Interested bidders to visit the work site will have to take an appointment by sending an email to the contact below:

Mark Beens  
[mark.beens@canada.ca](mailto:mark.beens@canada.ca)

and

[terry.attewell@canada.ca](mailto:terry.attewell@canada.ca)

The visits will be scheduled for only one (1) company at a time and with a maximum of two (2) representatives per company.

Bidders will be requested to sign an attendance form in order to confirm their presence. Bidders who do not attend or send a representative will not be given an alternative appointment and their bids will be rejected as non-compliant. **PART 2: PROPOSAL PREPARATION INSTRUCTIONS & EVALUATION PROCEDURES**

**1.0 APPLICABLE LAWS**

- 1.1 The Standing Offer and the Call-ups shall be interpreted and governed, and the relations between the parties, determined by the laws in force in the Province of Ontario.
- 1.2 In their bid submission, bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their proposal, by deleting the Canadian province specified in the previous paragraph and inserting the Canadian province or territory of their choice. If no change is made, the bidder acknowledges the applicable law specified is acceptable to the Bidder.

- 2.5 Proposals submitted in response to this RFSO will not be returned.

#### 4.2 Security Requirements

##### 4.2.1 Security Profile Verification

The issuance of a contract **is subject to a successful security screening** by the Government of Canada security services.

Because of legal and ethics issues, the Bidder **is not obligated** to complete the "Personnel Screening Consent and Authorization Form" (tbs/sct 330-23e), available at <http://www.tbs-sct.gc.ca/tbsf-fsct/330-23-eng.asp> for each proposed employee at this point in time of the RFP process.

However, once the technical evaluation team will have evaluated the received proposals and will have identified the acceptable proposal, this requirement will become a **mandatory requirement**. Successful clearance by AAFC's Security Services is a mandatory condition before AAFC can award the contract.

Beyond the above mentioned issues, The Bidder have however the option to complete the form at their sole discretion at this point and provide the forms with their proposal.

Should a Bidder decide to complete the required information, *the initiative will only accelerate the transmission of the required documents by 2 or 3 weeks*. Whichever option the Bidder chooses, the decision has no bearing or influence on the technical team evaluation.

#### 5.0 PREPARATION OF FINANCIAL PROPOSAL (Section 2)

In the Financial Proposal, the Bidder shall submit their financial proposal by completing and signing Appendix C – Basis of payment to provide the services requested in accordance with the Statement of Work, **Appendix B**.

Goods and Services Tax or Harmonized Taxes must not be included in the rates submitted.

The requirements of the Financial Proposal are detailed in Evaluations Procedures and Criteria Appendix D.

**Prices shall not appear in any area of the proposal except in the Financial Proposal.**

- 5.1 The Bidder may revise his tender by email as long as it is received before the RFSO Closing Time.

However, any indication of price modification shall not reveal the amount of the original or the revised total price. Any indication of the old or the new total price will get the RFP discarded automatically.

## **6.0 CERTIFICATION REQUIREMENTS (Section 3)**

In order to be awarded a Standing Offer, the certifications attached **in Appendix E** will be required. The certifications should be submitted with the proposal. Canada may declare a bid non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time frame period will render the proposal non-responsive.

Compliance with the certifications the Bidder provides to Canada is subject to verification by Canada. The Contracting Authority shall have the right to ask for additional information to verify that the Bidder is compliant with the applicable certifications before and after award of a Standing Offer. Any certification made by the Bidder that is determined to be untrue, whether made knowingly or unknowingly, or any failure to comply with the certifications or comply with the request of the Contracting Authority for additional information, will render the bid non-responsive.

## **7.0 EVALUATION PROCEDURES**

- 7.1 Proposals will be evaluated in accordance with the Evaluation Procedures and Criteria specified **in Appendix D**. Proposals received will be compared separately against the evaluation criteria identified therein for the total requirement described in this RFP and in conjunction with the accompanying Statement of Work (**Appendix B**).
- 7.2 An evaluation team composed of representatives of the Department of Agriculture and Agri-Food Canada will evaluate the Proposals on behalf of Canada.
