This Letter of Interest (LOI) Amendment No. 003 is being issued to answer questions raised by participants as follows:

QUESTION 1: Do you know if it's possible to arrange the workspace to download complete folders, rather than just the individual files?

ANSWER 1: Bulk downloading of files is available however you must select the individual files to download. Bulk downloading of folders is not possible.

QUESTION 2: In the Request for Letter of Intent no. W8485-157352/B For the North Warning System Project, in Attachment 1 we note that Sections 4 and 5 are both titled "Potential Scope and Constraints", and the sole question in section 4 and the first question in section 5 (numbered as 2) are the same question (see text copied below). Please confirm if there should be a different title and/or question for either of these.

Section 4: Potential Scope and Constraints

1) Would you have any issues submitting the required signed Certifications herein?

Section 5: Potential Scope and Constraints

2) Would you have any issues submitting the required signed Certifications herein?

ANSWER 2: The question was repeated in error.
