<b>Solicitation Number:</b>	1000224975  Set-Aside - Procurement Strategy for Aboriginal Business (PSAB)
<b>QUESTION 1:</b>  I was wondering if we (name of supplier cannot be disclosed) are allowed to bid?  Also, has there been an incumbent within twelve months (or greater) either as a Term; Casual or Agency Contract (THS, TSPS, TBIPS) performing these duties?  If so, can the crown, please confirm if the supplier has been invited? What was the dollar value of the contract? What was the length of the contract? What was the level of effort (days).	
<b>ANSWER 1:</b>  As a potential bidder, it is your responsibility to review the solicitation document(s) and determine if a bid can be submitted or not. For guidance purposes only, please review the Statement of Work at Annex A, under SW4 Definitions and Applicable Documents, as it provides a definition of what is considered an Individual.  There has not been an incumbent, in either a Term, Casual, or Agency Contract capacity, that has performed these duties.
