SOLICITATION AMENDMENT # 002

This solicitation amendment is raised to address the following questions submitted during the solicitation period as per ITQ.

QUESTIONS AND ANSWERS

- Q9. With regards to section 2.4 Review and Refine Requirements Phase (RRR), it states that “the CRA will start the RRR phase by providing all Qualified Respondents with the detailed process that will be followed for the RRR phase”. Is there an estimated timeframe when this detailed process will be sent to qualified participants?
- A9. The Review and Refine Requirements Phase (RRR) will commence after the CRA completes evaluation of the responses received under this ITQ and a pool of qualified Respondents is established. As per section 2.6 of the ITQ, the CRA estimates that the RRR phase will commence sometime in March 2021, however this is subject to change should unexpected delays occur. It is at that point where the detailed process will be provided to Qualified Respondents.
