Amendment 006 is raised to publish questions and answers:

Q34. We understand you want us to do the Delivery and Install according to the Item Numbers and Phases outlined from Amendment 3. However, in Cat 6A and 6D - Phase 1, Floor 2 (2021/05/14 - 2021/05/18) - the Delivery and Install table only show items 12 & 16. However, the drawing shows many more items on Floor 2. Please advise?

A34. As per answer #23:

The RFB provides you with a total count per categories. Suppliers are required to generate product quantities per floor by use of their own resources, for example: AutoCAD blocks, furniture blocks, Project Spec etc. Suppliers must be able to provide installation and delivery pricing based on their own reviews of the provided CAD and PDF plans for each floor within this solicitation. See revised delivery and installation tables 2 and 3.
