QUESTIONS/ANSWERS

- Q1. In regards to solicitation no. W7702-216232/A we had a question regarding Annex “B” Basis of Payment (page 29). Is the only profit allowed on the contract limited specifically to item 1 (Labour) and cannot be added on to the other items (2 through 6; including materials, subcontracting, other, etcetera), or is it to be included in item 1 purely for the financial evaluation of the bids and an overall profit markup will still be acceptable?
- A1. Profit will be allowable on other items in the Basis of Payment.
ANNEX “B” – BASIS OF PAYMENT has been revised.

If your Bid has already been submitted, you may wish to revise it. Revisions to your bid can be submitted by ePost. Please clearly indicate the content in the subject line and/or on the cover page.

Any revisions to your Bid must be received by the Bid Receiving Unit on or before the time and date stated on page 1 of this document. Any revisions to your Bid received after the closing date and time will be considered late and will be returned unopened.
