1. QUESTIONS AND ANSWERS

QUESTION 1	For Reference Financial Proposal – Table 1: The name column/cell is shaded out for the Local Project Manager. Could DFATD confirm the intent is that bidders insert the name of the Local Project Manager in the cell given this is a named and rated position?
ANSWER 1	<p>Ideally, the proposed Local Project Manager would be named in the Financial Proposal, however since it's so close to RFP closing and an error on behalf of DFATD, Bidder's will not be penalized if the position remains unnamed in their Financial Proposal.</p> <p>The name of the resource proposed for the Local Project Manager position in the Bidder's Technical proposal will be the name used in the resulting contract.</p>
