Title:
Rehabilitation of Spillway 2, Canal Lachine National Historic Site

Amendment 001

The following is hereby amended:

- A. Answer questions from bidders;
- B. Provide information form Bidder's Conference held on February 3, 2021.

A. QUESTIONS AND ANSWERS

- Q1. Precision if prior reinforcement is required on Gauron bridge
- A1. No prior reinforcement is necessary. However, work on the gussets must be done when there is no traffic on the bridge during full closures. In addition, work must be done on one gusset at a time.
- Q2. Lowering the Canal level
- A2. The canal is lowered outside the navigation period which is from May 22, 2021 to October 11, 2021. The exact dates of the ascent and the lowering of the water level have not yet been determined.
- Q3. Lead base paint
- A3. The paint contains lead. See section 02 83 12 of the specifications. The values to be considered for the lead contents: 0.72 to 1.88%.
