The following tender addendum is issued to advise bidders of the following:

CSC has exercised a Call-up to a Standing Offer to a company by the name of "Paladin Technologies Inc." to upgrade the existing EIFW CCTV network sometime this April-May. Once, Paladin completes their installation, they generally issue a 1 year equipment/repair warranty document. Any contractor who supplies and installs CCTV equipment at EIFW, or any other CSC institution, must be Genetec certified. This insures that the manufacturers 5 year equipment warranties are supported. All companies who bid on the CCTV must provide Genetec proof of certification. In the future, CSC requests that the contractor submit all questions in writing.
