| Vendor Name and Signature | | | |
| Name, title of person authorized to sign (type or print) | Signature | Date | |

REQUEST FOR QUOTATION AMENDMENT NO. 002

Request for Quotation Amendment no. 002 is raised for the following reason:

- To address questions pertaining to the specifications; and
 - To amend “Annex A – Statement of Requirement (SOR)”; and
 - To extend the Closing Date and Time on page 1.
-

Question 2

The Annex A – Statement of Requirement, Item 2b) specifies that the RAM must be PC4-2133 2666Mhz Non-ECC Unbuffered and 2c) states that it must be compatible with the HP EliteBook 830 G5. However, the HP EliteBook 830 G5 does not support 2666Mhz RAM as shown in the QuickSpecs for that model. I believe no RAM will run faster than 2400MHz in this model. It is not until the EliteBook 830 G7, that 2666MHz RAM is supported.

Answer 2

The Crown agrees to revise the RAM stated in the Statement of Requirement, section 2b to 8GB DDR4 2400MHz.

Modification 2

Regarding “Annex A – Statement of Requirement (SOR)”

DELETE Section 2 in its entirety and REPLACE with:

2. Public Services and Procurement Canada requires 8GB DDR4 RAM module, which must include the following minimums and mandatory specifications:

- a) SODIMM
- b) 2400MHz NON-ECC Unbuffered
- c) Must be compatible with HP EliteBook 830 G5
- d) All RAM proposed must be manufactured by an ISO (International Standards Organization) 9001 certified manufacturer. The ISO 9001 certification applies to both the RAM chip manufacturer and the DIMM assembly manufacturer. Proof of certification must be included in the bid response
- e) 3 Year Warranty
- f) All RAM must be identical and must be manufactured by the same manufacturer and have the same chips for each RAM.

Modification 3

On page 1 of the Solicitation, in the “Closing Date and Time”:

Delete: February 16, 2021 at 2:00PM [EST]

Replace with: February 17, 2021 at 2:00PM [EST]

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
