REQUEST FOR QUOTE AMENDMENT NO. 003

This amendment is raised for the following reasons:

- **To provide questions and answers; and**
- **To extend the solicitation closing date.**

Question 7: Can we please get an extension for 5 business days in order for us to submit a competitive bid ?

Answer 7: Canada will extend the closing date to March 3rd, 2021.

Question 8: Regarding the extended warranty, it is a standard within the scanner industry to buy the consumable kits separately and the actual NMSO is also designed that way. Due to that standard, the consumable kits are not included within the warranty. This allows the customer to get the most aggressive pricing they can on the warranty and they buy consumable kits according to their real usage. Knowing that, can you please advise where within the Annex B, do we need to present the cost of the consumable kits ?

Answer 8: Bidders may propose a consumable kit. Canada may include it as part of the resulting contract as an optional requirement. Note that a consumable kit is not a mandatory requirement and will not be included as part the evaluation.

Modification 1: at cover page;

Delete: February 26, 2021

Insert: March 03, 2021

ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR QUOTE (RFQ) REMAIN UNCHANGED.
