QUESTION AND ANSWER

Question 35

Regarding Point Rated Criteria R6 for the Technology Architect (Legacy Systems), Level 3. A high number of IT projects were cut short or put on hold over the last year due to Covid-19, making 18+ to 24 months of experience in the last 2 years an unrealistic measure of expertise in the current market. To better reflect the current market, will CBSA change R6 to “experience within the last three (3) years?”

Answer 35

The requirement remains unchanged.
