This amendment is being raised to address questions with regards to solicitation No. F2402-200131/C:

1. Questions and Responses:

Q 1. Regarding the Delivery date in section 6.4.2 of the solicitation, "All the deliverables must be received on or before July 20, 2021." Current lead time of the product is between 6-7 months and it could not been met by July 20, 2021. Would you please confirm that delivery 6-7 Months ARO is acceptable for this project?

A 1. **No deliverables must be received on or before July 20, 2021.**

Q 2. Regarding the COMPLIANCE MATRIX, item 15, "The Marine Mammal Tag must come with FastGPS", This option takes a long time to model and prototype in order make sure the product will float properly. In addition, it needs longer time and NRE to be fitted properly in the product. Would you please confirm that this requirement can be removed?

A 2. **No this requirement cannot be removed.**

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
