Amendment 007 is to post questions and answers as follows:

Question: We are currently reviewing the below tender in order to understand the requirements and participate to this tender.

[Maritime Surveillance Integrated Mission System \(MSIMS\) \(T8493-190015/C\) - Buyandsell.gc.ca](#)

- Can you elaborate more about the way of participation? Do we need to register somewhere in order to submit our proposal?
- Is there any possibility for a small extension (e.g. 3 weeks)?
- Any other information for the tender (more technical info, participating companies, budget)?

Answer: On January 5, 2021, Canada extended the closing date by five weeks in response to supplier requests. The current closing date of March 17, 2021 provides a solicitation period of 90 calendar days which Canada deems is a reasonable amount of time to submit a proposal. All information needed regarding the requirement and to submit a proposal is provided in the RFP and its amendments posted on Buyandsell.gc.ca. A list of participating companies is not available as it is not known who will submit a proposal until after bid closing.

All other terms and conditions remain unchanged.
