AMENDMENT NO. 001

This amendment is raised to answer questions submitted by bidders

QUESTIONS

- 1) Lawn and landscape maintenance and waste collection – the calendar provided as an annex indicates the date and the day, is that sufficient?

Answer: Yes, the calendar allows us to track the collections/cutting, and to have a waste-free site.

- 2) Is there, on site, a container to dispose of the waste, or must we provide one?

Answer: No. It is the Contractor's responsibility to remove the waste from the Parks Canada property.

- 3) We would also like to know the value of the contracts from 2015 to 2021 for analysis purposes.

Answer: The last contract covered five seasons, 2016 to 2020. The overall value of the awarded contract was \$113,220.00 (taxes extra). For further information on past contracts, please refer to the Access to Information services.
