QUESTION 1: This is a very large tender whereby there is a lot of work to connect the pricing grid specifications to all the files provided. There are no specifications provided on the excel sheet. In order to properly provide accurate pricing we would request an extension for submission as 8 days is not enough time to adequately provide a submission on a tender of this magnitude.
Would you consider an extension of at least one week, if not two.?

ANSWER 1: Note that the current ITT is posted for 12 calendar days. We will extend the ITT until Monday, March 22nd, 2021 2:00 (EDT)

All other terms remains the same
