English	French	Answered in Solicitation Amendment
<p>Q1:</p> <p>Chair A1 - Additional Criteria - Seat height - The first requirement is a 4-6 inch range of adjustment between 15.75 and 22.5 inch but must include a height of 21" but in the second requirement it indicates a range of 4" adjustment and include the height 15.75 - 22.5 ", which is a contradiction to the first requirement and also does not work out mathematically, 15.75 in + 4 in. is 19.75", did you mean the adjustment to be 15.75" - <b>19.75"</b> OR 15.75 - <b>21.75"</b>?</p>	<p>Q1 :</p> <p>Fauteuil A1 – critères supplémentaires – hauteur du siège – La première exigence indique une plage de réglage entre 4 et 6 po (pour une hauteur entre 15,75 et 22,5 po, mais au minimum 21 po), alors que la deuxième exigence indique une plage de 4 po, pour une hauteur entre 15,75 et 22,5 po – ce qui diverge de la première exigence et est mathématiquement impossible (15,75 + 4 = 19,75). Voulez-vous plutôt dire « réglable entre 15,75 et <b>19,75</b> » OU « 15,75 et <b>21,75</b> »?</p>	AMD001
<p>A1: Standard height range should be 417 mm (16.4 in.) or less to 512 mm (20.2in.) Spec under Annex A has been revised.</p>	<p>R1: R2 : La plage de hauteur standard doit être entre 417 mm (16,4 po) ou moins et 512 mm (20,2 po). Les spécifications dans l'annexe A ont été révisées.</p>	
<p>Q2:</p> <p>PRC 2 - a bidder can obtain points with an available bronze finish, section 4.2 says all bidder must obtain the minimum points for technical evaluation however the chair base details state the chair base must be in chrome or black with bronze as a preferred finish. Could you please confirm which finish the Client is looking for as these finishes carry different price points. Should the bidder price out the black and upon successful award will the contract be amended for the price upgrade to chrome or to bronze? Alternatively, is it just enough to list bronze as an option but price out in chrome or black, whichever is less? How will this be evaluated fairly?</p>	<p>Q2 :</p> <p>PRC 2 – un soumissionnaire peut obtenir des points s'il offre un fini bronze. Cela dit, la section 4.2 indique que tous les soumissionnaires doivent obtenir le minimum de points pour l'évaluation technique, et les détails pour le fauteuil indiquent que la base doit présenter un fini chrome ou noir, avec une préférence pour un fini bronze... Sachant que chacun de ces finis affiche un prix différent, pourriez-vous s'il vous plaît clarifier quelle finition le client recherche précisément? Si le soumissionnaire indique un prix très bas pour le fini noir et qu'il obtient ensuite le mandat, le contrat pourra-t-il être modifié pour la mise à niveau à un fini chrome ou bronze? Autrement, peut-on simplement indiquer que le fini bronze est offert comme option, et donner parallèlement un tarif imbattable pour le fini chrome ou noir? Comment tout cela sera-t-il évalué équitablement?</p>	AMD001
<p>A2: Metal finishes applicable to chairs A1 and A3. Chair A2 should be wood base</p>	<p>R2 : Les finis métallisés concernent les fauteuils A1 et A3. La base du fauteuil A2 doit être en bois.</p>

A3: All options proposed are acceptable. Note: Semi-Aniline leather is acceptable	R3 : Toutes les options proposées sont acceptables. Remarque : le cuir semi-aniline est également acceptable.	
Q4: Chair A1 - arm caps - spec calls for t-arm with upholstered/cushioned arm. Would a soft touch self skinned urethane arm cap be acceptable?	Q4 : Chaise A1 – fini des accoudoirs – les spécifications indiquent « accoudoir en T rembourré/coussiné ». Est-ce qu'un accoudoir en uréthane à peau intégrale doux au toucher serait acceptable?	AMD001
A4: No, this would not be acceptable.	R4 : Non, cette option ne serait pas acceptable.	
Q5: Could you please confirm if delivery/installation is during regular business hours or after hours? The Delivery table and installation table state "normal" hours. However, Table 5 - Delivery and Loading dock information state the hours 4pm-10pm under "loading dock/location".	Q5 : Pourriez-vous confirmer si la livraison/installation a lieu pendant les heures normales de bureau ou en dehors de celles-ci? Le tableau pour livraison et celui pour l'installation indiquent les heures « normales ». Par contre, sous la rubrique « quais/emplacement » du tableau 5 (Renseignements pour la livraison et le déchargement aux quais), on indique « 16 h à 22 h ».	AMD001
A5: Delivery should be planned for after hours (after 4pm), Install during regular hours (8am-4pm)	R5 : Les livraisons doivent être planifiées après 16 h; sinon, l'installation doit avoir lieu pendant les heures de travail normales (entre 8 h à 16 h)	

Q6: Will the shipping location be able to accommodate a 53 foot trailer for the delivery of the goods? If not, what is the maximum truck length the location is able to accommodate?	Q6 : Le lieu de réception sera-t-il capable d'accueillir une remorque de 53 pieds pour la livraison des marchandises? Si ce n'est pas le cas, quelle serait la longueur maximale de camion qu'on peut y accueillir?	AMD001
A6: It is possible for the loading dock at 125 Sussex to accept a 53" trailer, how space is tight and an experienced drive will be required with a 53' trailer is being used. 36 foot trailer & tractor (56ft total) or straight trucks up to 45 feet (28ft box) fit in the loading dock with no issue at all.	R6 : Le quai de chargement au 125, promenade Sussex est en mesure d'accueillir une remorque de 53 pi; cela dit, l'espace de manœuvre pour cette grosseur de véhicule est restreint et requiert les compétences d'un conducteur expérimenté. Les remorques de 36 pieds avec tracteur (56 pi au total) et les camions jusqu'à 45 pi (boîte de 28 pi) peuvent manœuvrer à cet endroit sans aucun problème.	
Q7: 1- For chair A1 would you accept Mesh back and upholstered seat considering all other criteria are met?  2- for chair A1 would you accept Armrest without Pivot considering all other criteria are met?  3- For side chair A2 would you consider Metal legs considering we meet all other criteria?	Q7 : 1- Dans le cas du fauteuil A1, acceptez-vous une combinaison « dossier en filet + siège en tissu », si tous les autres critères sont respectés? 2- Pour le fauteuil A1, acceptez-vous des accoudoirs fixes, si tous les autres critères sont respectés? 3- Pour le fauteuil d'appoint A2, peut-on considérer des pattes en métal, si tous les autres critères sont respectés?
