Amendment number 002 to Request for Proposal (RFP) M7594-206588/A which closes March 22, 2021 at 2:00 p.m. is raised to:

1. Incorporate the following responses to questions from bidders and additional information into the solicitation.

Q2 – In regard to above RFP, while the Amendment 001 confirms that only Fiberglass shelters will be considered, can I propose to your customer a more solid structure with Impex.

Would you consider two separate bids, one with the fiberglass requirements and a second one with an alternative solution, in the case EPS foam panels with Impex material?

A2 – Only fiberglass shelters will be accepted. A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive.

Q3 - It appears that the RFP has been written based on a particular product. It specifies proprietary design by a certain company. Please advise if alternates will be accepted.

A3 - Annex A - Statement of Requirement is not based on a particular company's proprietary design. All bids meeting the requirements of the solicitation will be considered.

Q4 - We are a company which manufactures telecom buildings and control buildings with 40 years of experience. Can you accept shelters completely made of steel and waterproof?

A4 - Only fiberglass shelters will be accepted.

All other terms and conditions of the Request for Proposal remain unchanged.
