Part A: Questions and Answers

Question 7:

Form 1 to Attachment A - Reference projects for evaluation criteria page 57

- in section 2 you require contact name - given some of the projects are up to 10 years old - what do you recommend if the initial contact of the company is no longer with the company ?

Answer 7:

As outlined in Article 3.1 Bidder Instruction of the Attachment A – Evaluation and Selection, if the client contact is unavailable when required during the evaluation period, the Bidder will be requested to provide an alternate client contact for the same contract.

If the initial client contact is no longer with the company and can still be reached out, it is recommended to provide the name and the contact information of the initial client contact as well as the title and organization name at the time when the proposed resource worked for the reference project.

If the initial client contact can no longer be reached out, it is recommended to provide an alternate client contact who is able to validate the information related to the reference project.
