

## **1 General**

### **1.1 SHOP DRAWINGS**

- .1 Submit shop drawings in accordance with Section 01 33 00 - Submittal Procedures.
- .2 Submit catalogue details for each type of door illustrating profiles, dimensions and methods of assembly.

### **1.2 CLOSEOUT SUBMITTALS**

- .1 Provide maintenance data for cleaning and maintenance of stainless steel finishes for incorporation into manual specified in Section 01 78 00 - Closeout Submittals.

### **1.3 DELIVERY, STORAGE AND HANDLING**

- .1 Deliver, store and handle materials in accordance with Section 01 61 00 - Common Product Requirements.
- .2 Apply temporary protective coating to finished surfaces. Remove coating after erection. Do not use coatings that will become hard to remove or leave residue.
- .3 Leave protective covering in place until final cleaning of building.

### **1.4 WASTE MANAGEMENT AND DISPOSAL**

- .1 Collect and separate for disposal waste material generated by this Section.
- .2 Place in appropriate on-site bins in accordance with Waste Management Plan.
- .3 A clean worksite is mandatory at all times. Failure to maintain the site in a clean, safe condition shall result in the Departmental Representative initiating a clean-up and related costs being deducted from progress claims.

## **2 Products**

### **2.1 ATTIC DOOR**

- .1 Size: 558mm x 914mm
- .2 Construction:  
Fire rated insulated access door, 16 gauge cold rolled steel frame, 20 gauge galvalume steel door, mineral wool insulation, neoprene gasketing, continuous piano hinge, self latching tool-key and ring operated slam latch, inside panel release, automatic panel closer, high quality white powder coat primer.

### **2.2 PELLET STORAGE SHED**

- .1 Size: 914mm x 914mm.
- .2 Construction:  
Fire rated stainless steel insulated access door, 16 gauge stainless steel frame, 20 gauge stainless steel door, mineral wool insulation, neoprene gasketing, continuous piano hinge, mortise slam latch to accept 29.37mm dia. cylinders, inside panel release, automatic panel closer, stainless steel 304 #4 (brushed finish).

## **3 Execution**

### **3.1 INSTALLATION**

- .1 Installation: as per manufacturer's instructions.

**END OF SECTION**
