AMENDMENT 001

This Solicitation Amendment 001 is raised to answer bidders' questions and amend Annex "B" – Statement of Work

Answer to bidders' questions.

Question 1.

Our Company has received a request from the Public Works & Government Services Canada office to provide a school bus that has various styles of restraints i.e. lap belts. Due to the current changes to CMVSS that requires mandatory 3 point seat belts **only** be allowed in a school bus, the school bus manufacturer (Blue Bird) will not supply buses against Transport Canada's regulation without Transport Canada written approval.

We are the Blue Bird dealer for Ontario and located, we would require written approval from Transport Canada to perform the installation of lap belts for one school bus being purchased by Public Works & Government Services Canada.

Answer 1.

The Statement of Work was changed to include only 3 points seat belts at the specified positions.

Question 2.

With regards to the 2 CRS Bench seats. Should the bus be equipped with 2 integrated child restraint seats or 2 UCRA latches to install child seats?

Answer 2.

The requirement is for Integrated Child Restraints. An image was added as an example.

Amendment of the Statement of Work

DELETE Annex "B" - Statement of Work - Blue Bird Vision School Bus in its entirety

INSERT Annex "B" - Statement of Work - Blue Bird Vision School (Revised) attached hereto

ALL OTHER TERMS AND CONDITIONS OF THIS SOLICITATION REMAIN UNCHANGED.
