REQUEST FOR QUOTATION AMENDMENT NO. 001

Request for Quotation Amendment no. 001 is raised to answer a vendor question.

Question 1

Would the Crown consider removing the requirement for the installation of Adobe Creative Cloud for MAC as well as MS Office 365 for MAC for Item number 1 on the List of Deliverables? These software options are not standard for ordering from Apple, and would thus end up costing the Crown more in the end to have Apple do these installations as well as their markup of these software products.

Answer 1

Yes, we agree to remove the requirement.

Modification 1
