## AMENDMENT 002

### Request for Information (RFI)

#### **Owner Architectural and Engineering Technical Advisor Services** **Sinclair Centre Redevelopment – Downtown Vancouver, BC**

---

#### **Les documents français seront disponibles sur demande**

##### **This amendment is raised to:**

- 1) provide responses to questions received from proponents, and
- 2) publish the list of firms who registered for the virtual Industry Engagement Session which took place on March 23, 2021.

##### **1) Questions and Responses:**

###### **Question 1:**

The potential architectural firms responding to the future RFQ will need to assemble a sub-consultant team. Can the RFQ consider that subconsultants can be on one or more proponent teams? Heritage experts and other subconsultants would find this to their advantage.

###### **Response 1:**

PSPC will not have any limitations on team assembly, overlap or associations.

###### **Question 2:**

Is a response to this RFI mandatory in order to be able to participate in the RFP process later this spring?

###### **Response 2:**

No.

###### **Question 3:**

Is the intent of this RFI to collect answers to the 'questions to industry'?

###### **Response 3:**

Yes.

###### **Question 4:**

Does a response to this RFI need to contain firm and team profiles or is this dealt with through the RFP process later this spring?

###### **Response 4:**

Firm and team profiles will be dealt through the RFP.

##### **2) Industry Engagement Session list of registered attendee firms**
