The following changes to the tender documents are effective immediately. This amendment will form part of the contract documents.

Amendment 006 is issued for the following:

(1) Respond to Bidder Questions

(1) Bidder Questions and Answers

Item No.	QUESTION	ANSWER
60	Item #52 of the questions and answers in Amendment no. 4r regarding the removal of selected floor levelling (asbestos-containing), the answer refers to section 09 65 13 - article 3.5.5. which is for the application of base. The answer provided does not address the question asked. As stated, the DSR indicates removing floor levelling compound under carpet (500 sq.m / 5380 sq. ft), which is slightly less than half of the floor surface area that requires floor removals. Are we to remove floor levelling throughout the entire building (+/- 11 000 sq.ft.)? There are only approximately 1600 sq. ft of exposed concrete where floor levelling is not required. If we do not get a clear answer to this, we will assume that only asbestos-containing floor levelling compound is to be removed (500 sq.m), and the remainder is to stay. Considering that no new self-leveller is indicated, if any is required to bring floor level to existing and new finishes, this will have to be charged as an extra.	Refer to Addendum no. 002 and Section 03 35 00- 1.5.6., 1.6.7., and 3.1
61	Who is to carry controls pricing? Is it to be carried by Mechanical or Electrical Contractor?	Bid as per plans and specs - Refer to M-302.
62	Could you clarify the exact specifications for temporary ventilation (Paragraph 1.6.4 and 3.5 of Section 01 47 15), i.e., what's to be included? If possible, could you assign a cash allowance for it?	Bid as per plans and specs - Refer to Section 01 47 15-1.6.5., 1.9. and 3.5.
63	Could you confirm if the job is done during the Regular Hours (regular, non-noisy work)?	Bid as per plans and specs - Refer to Section 01 00 10- 1.24.3.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
