AMENDMENT 004

TITLE : REQUEST FOR STANDING OFFER ARCHEOLOGICAL SERVICES

Included in present amendment :

1. Extension of closing date
2. Questions and answers 8 and 9
3. Modification 3 (ANNEX B)

1. Extension of closing date

Please note that the solicitation date has been delayed to April 8, 2021 at 2:00 PM.

2. Questions and answers 8 and 9

8 (FR)	J'aimerais savoir s'il est possible de proposer plus d'une personne à chacun des postes clés: archéologue chargé de projet, archéologue historien et archéologue préhistorien?	Non, il n'est pas possible de présenter plus d'une candidature par poste clé. Il est à noter que seule la première candidature sera évaluée.
8 (EN)	I would like to know if it is possible to propose more than one person to each of the key positions: project archaeologist, archaeologist historian and prehistorian archaeologist?	No, it is not possible to submit more than one application per key position. It should be noted that only the first application will be evaluated.
9 (FR)	Il y a une incohérence entre la description des postes d'archéologues spécialistes en histoire euro québécoise et en paléohistoire autochtone (réponses 7b et 7c) et le titre donné à ces postes dans le bordereau de prix révisé qui est alors : « Archéologue adjoint senior spécialiste en histoire euro québécoise (ou assistant archéologue) (10 ans et plus d'expérience) » et « Archéologue adjoint senior spécialiste en paléohistoire autochtone du Québec (ou assistant archéologue) (10 ans et plus d'expérience) ».	Nous proposons une structure de bordereau selon laquelle le spécialiste était impliqué dans le projet en tant qu'adjoint. À la lumière de vos commentaires, le changement 3 dans la modification 004 sera produit afin de séparer les spécialistes et l'archéologue adjoint.
9 (EN)	There is an inconsistency between the description of the positions of archaeologists specializing in Euro-Quebec history and Aboriginal paleohistory (responses 7b and 7c) and the title given to these posts in the revised price slip which is then: "Senior assistant archaeologist specializing in Euro Quebec history (or assistant archaeologist) (10 years and more of experience)" and "Senior Assistant Archaeologist specialist in Aboriginal paleo-hedography of Quebec (or assistant archaeologist) (10 years and more experience)".	We proposed a slip structure where the specialist was involved in the project as an assistant. In light of your comments modification 3 in amendment 004 will be produced to separate the specialists and the assistant archaeologist.
