Description of Requirement:

By means of this RFP, Natural Resources Canada (NRCan) is seeking proposals from bidders for the recommissioning of the Naval School - Achille-Pettigrew Building at CFB Valcartier, Quebec. The scope of this RCx includes all mechanical systems within the Naval School. The main focus of this RCx project is on lasting energy and GHG savings and measures/control sequences that will be flexible and relevant for an expected occupancy scenario following implementation in 2023.

Applicable Trade Agreements:

The requirement is subject to the provisions the Canadian Free Trade Agreement (CFTA) and the Canada-Korea Free Trade Agreement.

Proposed Period of the Contract:

The period of the contract shall be from date of award of contract to March 31, 2022 with optional services extending into 2025.
