Q1. Are there meeting minutes pertaining to the optional virtual bidder's conference that took place on March 23rd - any info that can be provided would be appreciated.

A1. There are no meeting minutes. During the bidder's conference, the following was discussed:

- Security and access
- Overview of the history of the project (investigation and design phases) including the previous attempt at the repair
- Key constraints (working adjacent a building, service interruptions need to be scheduled, existing services to be abandoned internally)
- Overview of the project requirements w.r.t what needs to be constructed (location of new manholes, location of the tie-in, depths, and number of services and their tie-ins to existing).

All other terms and conditions remain unchanged.
