This amendment has been raised to respond to the following questions:

Question 1:

Is the commissioning agent going to be provided by the owner or does the contractor have to carry the commissioning agent as part of their tender?

Answer 1:

The design consultant will act as the Commissioning Agent.

Question 2:

Are original architectural drawings available that would show overhead doors and interior wall openings?

Answer 2:

Each Shop Space has a 3000mm door/opening leading to/from the Loading Dock which contains two 3000mm overhead doors. This should be enough room to circulate the AHUs.

All other terms and conditions of the Invitation to Tender remain unchanged.
