Amendment 002

This amendment is raised to publish question and answer, and to modify Amendment 001 of the Request for Proposal as follows:

Question 1:

There are 2 documents in the “Solicitation documents” section of the Tender Notice. 1 short and 1 long with the Statement of Work and submission criteria. Do I submit just the 2-page short version as my intension to be selected and then the long version?

This document is only 2 pages (dated March 26)

and this one is 50 pages (dated March 22)

[rfp_en - fessibilitiy study on automotive sector -final 19mar2021.pdf](#)

The second one has significant criteria to submit while the first one is a short summary. Just want to make sure I am following the correct steps.

Answer 1:

The 50-page document dated March 22 is the Request for Proposal which indicates the instructions, clauses and conditions of the bid solicitation and the clauses and conditions of the resulting contract. The 2-page document dated March 26 is an amendment to the Request for Proposal. Bidders who submit a bid agree to be bound by all documents published in the “Solicitation documents” section of the Tender Notice.
