**Request for Information (RFI)**  
**Future Naval Training System (W8482-218578/B)**  
**Amendment #001**

This amendment is issued to:

- A.** Provide answer(s) to question(s) received from suppliers.

**Part A: Question(s) and Answer(s)**

**Question 1 :**

Further to the subject RFI, Canada has asked an extensive set of questions relating to FNTS. Could you clarify when Canada wishes to receive written replies? The reason being the RFI closure date is before the industry one 2 ones scheduled to commence in June 21.

**Answer 1 :**

Canada expects to receive all responses to the RFI prior to the scheduled closing date.

As stated in the RFI, one-on-one meetings may be held with respondents where additional information or clarification may be sought by the Government of Canada.

Given there are different stakeholders in industry (e.g. technology vs. academia vs. infrastructure providers), the Government of Canada may not hold one-one-one meetings with all respondents. All feedback will be summarized and published on GETS prior to moving on to the next stage.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
