The following changes in the Request for Proposal are effective immediately. This amendment will form part of the contract documents.

Amendment 002 is issued for the following:

- (1) Amend the RFP Document; and
- (2) Respond to Bidder Questions

(1) Amend the RFP Document

(A) RFP document, page 20 of 70, Contract Document (CD)

DELETE the following: R2870D (2018-06-28)

REPLACE with the following: R2870D (2018-06-21)

(2) Bidder Questions and Answers

Item No.	QUESTION	ANSWER
1	Could you please clarify the difference between categories M1 Construction Management Project and M2 Bridge/Crossing Rehabilitation/Construction Project under the Mandatory Technical Criteria section?	The mandatory technical criterion M1 refers to projects delivered in the role of either Construction Manager, Design Builder or Public Private Partnership whether criterion M2 refers to projects delivered in the role of either General Contractor, Construction Manager, Design Builder or Public Private Partnership.
2	Regarding the contract documents mentioned on page 23 of 78 in the French version and on page 20 of 70 in the English version of the Request for proposal, I note a difference between the validity dates of clause GC7. In the French one it says R2870 (2018-06-21) and in the English one it says R2870 (2018-06-28). I guess it is a typing error in the English version since on your website there is no version R2870 (2018-06-28). Please confirm which version to use of clause GC7 - R2870D	There is a typo. The English version should read R2870 (2018-06-21).

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
