Amendment 005

This amendment is raised to publish question and answer as follows:

Question 5:

PR11 calls for submitting three samples of work using the tools listed. We have many relevant samples that could be provided, but many are reports that can be dozens of pages in length. Does the sample have to be a complete report or publication? Can an appropriate (and cited) excerpt from a report or publication be provided – i.e., a table with relevant written analysis?

Answer 5:

The proposed samples must demonstrate to meet criterion PR11. As per PR11, there is no restriction specified on the length of the samples.

All other terms and conditions remain unchanged.
