## Amendment 002

This Amendment 002 is raised to provide questions and answers to potential bidders as follows:

### 1. Questions and answers

**Question 1:** There are a couple of occasions within the RFSA where the lift height and vehicle height requirements are not being met by our product. It is a matter of 2 inches.

Is the Federal Government flexible on these measurements to allow as many vendors as possible to participate in the SA?

**Response 1:** Department of National Defence (DND) intends to allow maximum number of vendors where possible but any change must be captured in the RFSA documents through substitutes and alternatives products.

Please provide exact information of the groups and paragraphs where substitutes and alternatives products are requested.

However, due to restrictions of entry and exit doors at some locations, DND might not be able to amend all or any of the vehicle heights.

**Question 2:** Could you please provide historical procurement data for forklifts?

**Response 2:** For E60HS-21FRKL/A, the estimate amount per year is \$19,000,000. For E60HS-21FRKL/B, data is not available.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
