**TITLE: WEATHERTIGHT DOORS FOR CCGS MARTHA L BLACK
DFO- CANADIAN COAST GUARD (CCG), QUEBEC**

Solicitation amendment 004 is to answer questions from the industry.

Enquiries – Bid solicitation – Clause #2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of enquiries.

Here is the question that we have received:

Question 3: Can you please provide copies of the actual ABS approved door drawings for the 7 doors in question? The drawing attached to the RFQ does not give details of the door construction just locations.

Answer 3 : CCG is not in possession of the original door drawings. All door “clear opening” dimensions and other details are listed in the following table extracted from drawing 1.0/5.55-H-42-10. ABS regulations for the Construction of doors to enclosed superstructures are clearly described in section 3-2-11 article 5.3 of ABS Rules – Hull Construction and Equipment.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
