A4: Just double fabric knee patch; no pocket.

Q5. Annex A Requirement 2.1.3.2 asks for complete wrap around elastic waist. You mean full back waist elastic (180 degrees) not full 360 degree elastic correct?

A5: Full 360 degree elastic is the requirement.

Q7. Why don't the quantities in the optional pricing table match the quantities in the firm requirement table?

A7: Quantities in the optional tables in Annex "B" (Basis of Payment) are estimates only based on anticipated need and will be used for calculations in the financial evaluation. Actual quantities required for optional goods will be determined through contract amendments as and when required by DND.

Q8. Can we submit two bids?

A8: Multiple bids from the same supplier are permitted in response to a bid solicitation but Canada reserves the right to apply additional scrutiny as per the Standard Instructions clause 2003 (12) Rejection of Bid, item 3.
