**ADDENDUM NO. 1**

Subject: **Request for Proposal (RFP) - 30000098**

Title: Placing, Lifting/Removal, Maintaining and the Servicing of Buoys on the Southern Lakes - Yukon Territory

Dear Sir/Madam:

Further to the above-mentioned Request for Proposal, this Addendum no.1 is to advise potential bidders of the following Question & Answer:

**Question 1:** For the above noted RFP, in the past there has been an additional Annex (last contract Annex H) to fill out that indicated the bidders certifications (operator's license, SVCP-Small Vessel Compliance Program, past experience, knowledge of the area, etc. I was informed this would also be the case this contract but I do not see an annex to fill out for the requirements. Should I just utilize the Annex H from the last contract to provide these requirements?

**Answer 1:** No. Bidders must respond to the Mandatory Technical Criteria outlined in Part 4 – Evaluation Procedures and Basis of Selection, article 4.1.1.1 Mandatory Technical Criteria on page 9 of the RFP document. The Bidder must provide the information requested and include it in their bid submission.

**All other terms and conditions remain unchanged.**

Yours truly,
