**QUESTIONS AND ANSWERS:**

Question 1:

Mandatory criteria #1 states the bidder must provide validation from SaskTel that they are approved to work on SaskTel communication towers. SaskTel has a list of approved contractors but nothing we can provide to validate. How can we validate?

Answer 1:

The bidder must be approved to work on SaskTel communication towers. The RCMP will confirm with SaskTel after bid closing that the bidder is listed with SaskTel as an approved contractor.
