For a bid to be assigned points for guarantees made in respect of any IBP bid criteria, the Bidder must provide proof with their bid to demonstrate how they will meet the objective of each criterion.

The IBP submission should include the tables provided in each of the IBP Bid Criterion sections below. Any breakdowns or tables provided by the bidder should provide the necessary information requested. For all four (4) evaluation criteria, the IBP should include a written component that will describe the bidder's intent and approach which will present information that is not otherwise apparent in the table.

Proof of efforts and/or guarantees made by Bidders should include, but not be limited to, the names of persons or companies contacted and the nature of the undertakings at the time of the submission as applicable. Bidders must ensure their IBP documentation demonstrates sufficient evidence to assess the compliance of their bid against the criteria listed herein. Bidders must include all reference material to be considered. Only material and/or documents submitted as part of the bid proposal will be considered. URL links to website will not be considered.

Canada reserves the right to verify any information provided in the IBP guarantee and that untrue statements may result in the tender being declared non-responsive.

2. Contractor Selection

The Contractor selection will be based on the highest responsive combined rating of IBP and price. The ratio will be **10%** for the IBP and **90%** for the price.

$$\text{IBP Score} = \frac{\text{Bidder' Points}}{\text{Maximum Points}} \times 10\%$$

$$\text{Price Score} = \frac{\text{Lowest Bid}}{\text{Bidder' Price}} \times 90\%$$

Neither the responsive bid obtaining the highest technical score nor the one with the lowest evaluated price will necessarily be accepted. The responsive bid with the highest combined rating of technical merit and price will be recommended for award of a contract.

Examples of weighting: **90% Price and 10% IBP**

Bidder	Total Bid Price	Price Calculation Low Price / Bid Price	Price Score	Price Score out of 90%	IBP Score	IBP Score out of 10%	TOTAL SCORE
