- *The VCAN Group Inc.*

Description of Work:

The Health Products and Food Branch (HPFB) aims to better inform Canadians to help them make healthy choices by modernizing business efficiency, improving data analytics capacity, alternating service delivery models and enhancing regulatory transparency and openness. HPFB will make transparency the default way of doing business, while respecting the legitimate interest of businesses as necessary, protecting privacy and meeting other legal obligations. The main objectives have been to make data analysis and data sharing more efficient for the stakeholders to easily integrate data from the HPFB into their work. HPFB plans to continue investing in various IT projects to support the development and implementation of Investment Plan Projects.

- Bidders must submit a bid for all resource categories
- Similar work is currently being performed by *Tecsis Corporation* under contract 4600001623

Security Requirement: *Common PS SRCL #6 applies*

Minimum Corporate Security Required: *Designated Organization Screening (DOS)*

Minimum Resource Security Required: *Reliability*

Contract Authority
