B. To answer a question asked

Question 1 :

The Statement of Work for the above tender mentions that hotels must be within 2 km of 2700 Ave du Cosmodome, Laval, QC, H7T 2X1. Our properties are 2.2 – 2.5 km from this address; would you still consider bids from them given that they are slightly outside of the required radius?

Answer 1 :

The students will be walking between the hotel, the Vertical Wind Tunnel (VWT) and to restaurants to eat. So ideally they would walk to breakfast then continue on to the VWT. The distance needs to be minimized to reduce jumper fatigue which will directly reduce the chance of injury because after the VWT, they have to go to Parachute Montreal to complete 6 jumps out of an airplane per day. While staying in Montreal, students and staff will be on the economy for meals. In the 2km bubble there are approximately 25 food establishments within walking distance..

All other terms and conditions remain unchanged
