PLAN DE L'APPENTIS MÉCANIQUE
MECHANICAL PENTHOUSE PLAN

Table with 2 columns: SYMBOLES and SYMBOLS. It defines symbols for grid lines, elevations, presentation elevations, interior elevations, building sections, and elevation levels.

Table with 2 columns: LÉGENDE MATERIAUX and MATERIAL LEGEND. It lists materials like brick, concrete, wood finish, steel, insulation, gypsum, and plywood with their corresponding symbols.

Table with 2 columns: ABRÉVIATIONS and ABBREVIATIONS. It lists abbreviations for various roles and construction terms, such as General Contractor, Typique, and Dimension minimale requise.

Table with 2 columns: NOTES GÉNÉRALES and GENERAL NOTES. It contains 16 numbered notes detailing project requirements, safety, and construction standards in both French and English.

Table with 2 columns: LISTE DES DESSINS and DRAWING LIST. It lists drawing sheets A01, A02, and A03, corresponding to Title, Plans and Elevations, and Section Details.

Project information block including logos for Canadian government services, Stantec, and Rubinc & Rotman associés. It also contains a copyright notice, a seal for Richard H. Rubin, and a detailed title block with project name, drawing title, and revision information.
