**SIEMENS CANADA LIMITED  
SOLICITATION AMENDMENT 002**

The Solicitation Amendment 002 is been raised to answer a set of questions (Section A) and modify the bid solicitation (Section B) as follows:

- I. Modify the Basis of Payment

**A. Questions and Answers:**

**1. Question:**

Regarding tender # F7013-200013/F, please note that several items have been discontinued by Siemens and they didn't provide direct replacement for them. Also, other items are obsolete.

Would you accept a partial submission taking this into consideration?

**Answer:**

If you don't submit firm prices for all items listed in Annex A - Basis of Payment, your bid will be non-compliant in accordance with Clause 3.1 - Bid Preparation Instructions, Section II - Financial Bid:

"Bidders must submit firm prices for all items listed in Annex A - Basis of Payment."

As well, if you provide replacement parts for items identified in Annex A - Basis of Payment, your bid will be non-compliant in accordance with Clause 2.11 - No Substitute Products:

"Bidders must provide products that are of the same description, brand name, model and/or Part Number as detailed in the item description of the bid solicitation. Bidders are advised that substitute products will not be considered."

Although, in light of your findings, see modification Number 2.
