## SOLICITATION AMENDMENT 001

**This solicitation amendment is raised to answer questions from bidders and amend Annex A – Statement of Work.**

### **A) Questions and Answers**

#### **B) Annex A – Statement of Work - Revised**

---

### **A) Questions and Answers**

#### **Question 1:**

SW3

*1.2 Chillers – must be inspected monthly or more frequently if found necessary.*

Is this to be interpreted as 12 inspections per year, or is it intended to read like 1.1 Gas-fired Appliances – “inspected monthly during the operating season”

#### **Answer 1:**

For building U-100 this should read: monthly during the cooling season (April-October).

For building 0276 this clause remains unchanged as these chillers operate year round.

See B) Annex A – Statement of Work – Revised

#### **Question 2**

Is a list of belts and filters for the associated equipment available?

#### **Answer 2**

SW5 Equipment Inventory, Belts and Filters have been added to the Details.

See B) Annex A – Statement of Work – Revised

#### **Question 3**

Is it possible to obtain the financial value for the existing contract?

#### **Answer 3**

This new contract will replace EJ196-150953 and all the information is readily available on Buy and Sell.
