**TITLE : CHAIN STOPPERS – ENGINEERING AND FABRICATION
FOR CCGS MARTHA L BLACK
DFO- CANADIAN COAST GUARD (CCG), QUEBEC**

Solicitation amendment 003 is to answer questions from the industry.

Enquiries – Bid solicitation – Clause #2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of enquiries.

Here are the questions that we have received:

Question 8: We have an interest in completing the bidding phase and for that a visit of the ship would be necessary. However, considering the sanitary circumstances and the distance from our offices, we would like to have access to a virtual tour including:

- Recorded or live video of the visit to the vessel and the facilities relating to the integration of the project;
- Video conferencing with the technical authority and operators.

Answer 8: See MODIFICATION TO THE REQUEST FOR PROPOSAL, below.

MODIFY THE REQUEST FOR PROPOSAL AS FOLLOWS:

DELETE : Article 2.6, Optional Site Visit – Vessel, entirely.

INSERT :

2.6 Optional Site Visit – Vessel

It is recommended that the Bidder or a representative of the Bidder visit the work site of the vessel.

Given current concerns regarding COVID-19 and to ensure social distancing, only one Bidder at a time will be allowed to visit the site. Arrangements have been made for scheduled, one-hour site visits to occur between 8:00AM and 4:00PM on **Wednesday June 9, 2021** at:

Base of the Canadian Coast Guard
101 boulevard Champlain
Québec (Québec) G1K 7Y7
Ship: NGCC Martha L. Black

Bidders also have the option of requesting a virtual site visit, under the same conditions (one-hour site visits, 8 am to 4 pm, Wednesday, June 9, 2021).

Scheduled blocks will be assigned on a first come, first serve basis. No more than 2 representatives of a Bidder, including their planned subcontractor representatives, may attend any given scheduled viewing. Social distancing practices must be followed while viewing the vessel in accordance with provincial and federal regulation and protocols, and as further instructed by the attending CCG representative leading the viewing.

Bidders are requested to communicate with the Contracting Authority at Odette.Bernier@pwgsc.gc.ca no later than Tuesday June 8 2021 to confirm attendance, provide the name of the person(s) who will attend and indicate the desired time period within the visit period specified above. The bidder will then be assigned a vessel viewing time block, advised of the personal protective equipment requirements and the logistics related to their vessel viewing visit.

Bidders may be requested to sign an attendance sheet. Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
