SOLICITATION AMENDMENT 2

This solicitation amendment #2 has been issued to address bidder questions and Canada's responses.

Question 1: Can the solicitation closing date be extended by two weeks?

Answer 1: The closing date will not be extended.

Question 2: Annex A - Statement of Work - Article 3. Primary vessel

3.1. c. States "an overall length of at least 9.144 meters; but not more than 12.192 meters;

We have two vessels we would like to offer and ask if the client would accept an overall length of 12.5 meters for the primary vessel and 12.8 meters for the Back-Up Vessel?

Answer 2: The overall length is acceptable for both the primary vessel and the back-up vessel as long as both vessels meet the mandatory technical requirements. It should also be noted that if the longer vessels are proposed the supplier will have to use an alternate location to berth/or trailer the stand by vessel as the float is not large enough to moor both vessels.

Question 3: 3.3.h. is "Endurance" - What is the client looking for in way of response to this word?

Answer 3: fuel capacity i.e. range at cruising speed.
