Description of Work:

The Canada Border Services Agency (CBSA) has an urgent need to secure the services of a global organization (the “Contractor”) with knowledge of and expertise in biometrics. The Agency requires this organization to assist with the immediate establishment of an Office of Biometrics and Identity Management and to work with the Agency in researching, planning for and rapidly developing a strategy and roadmap related to the use of Digital solutions enabled by supporting technologies in biometrics, in response to the COVID 19 situation and other operational priorities. The Contractor will bring knowledge, capabilities, and experience to support CBSA’s urgent need to establish a biometric strategy, biometric foundation and ultimately a Biometrics Authority (Centre of Excellence). Specifically, the “contractor” will assist the CBSA with the development of a comprehensive approach and plan to manage, evolve and adapt in using biometrics to deliver the mission of the agency while considering our interrelationship and joint ventures with other federal government departments and agencies and our international partners.
