

Amendment 003 Questions and Answers

Q1) We require clarification of the schedule. The Contract stipulates the work is to complete in 8 weeks of notice of award. The delivery on the replacement grating is 3 to 4 months.

A1) If new grating panels are required the ordering lead time will not be factored into the overall construction completion time. Please see Specifications section 05 12 33 for steel details and 01 11 00 for summary of the work for more details on the schedule.
