1. Questions and Answers

<u>No.</u>	<u>Question</u>	<u>Response</u>
3.	Will there be an opportunity to physically inspect the items listed in CRV7 Rocket Motors Disposal Request for Proposal?	Due to the nature and packaging of the items at CFAD Dundurn and the current global pandemic situation, there will not be a site visit as part of this solicitation. Photos of the current packaging state can be found in ANNEX "A" APPENDIX 2 – CRV7 Rocket Motors – of the Request for Proposal
4.	The previous draft Request for Proposal for this solicitation had a maximum price as a mandatory requirement. Will the government accept proposals that are above the previous maximum price?	There is no mandatory requirement to meet a maximum ceiling price. Canada will accept any and all bids for evaluation.
5.	Did all of the motors originate from Canada? Would Canada include a statement of origin on the shipping documents that states the motors originated from Canada?	All of the original CRV7 Rocket Motors originated in Canada. A statement that indicates unmarked wood was produced in Canada will be included in the shipping documents.
